

CMK R12LAM

Safety Slip Rating:

CMK R12Lam provides floor graphics with a high slip resistance required in exterior pedestrian areas; rated as **R12** according to DIN 51130 slip resistance test. To find out more about slip ratings, visit: <http://www.hse.gov.uk/pubns/geis2.pdf>

Material Description:

CMK R12Lam is a product specifically developed for up to 12 months outdoor use (subject to footfall). Floor Graphics applications are made with CMK White Permanent Outdoor Base Material.

CMK R12Lam helps eliminates glare due to its matte finish.

On the floor, heavy vehicles or heavy-duty equipment can damage the graphic, *Customark cannot be held responsible for any damage caused in this way.* The durability of a floor graphic also depends on the **preparation, application, cleaning, usage conditions** and also **type of flooring**.
